Inside You

Karibow

And I'll wake up inside you in a world of amber tears.
And I'll wake up inside you. I'll touch down in Neverworld.
And the tension grows in every cell. No colour rules, just for one day.

And you run and you go and you hide.
And you see what you've done. And you can see
what you've done to our secret.
I know you never said that you see what you're doing
when my raging heart's so weak.

And we never got close to the core of our emotions,
to the seed that grows the greed.
Our worls will overflow, make us spill our magic potions,
make us lose our precious needs.

And I'll wake up inside you...

And you'll wake up inside me, come and enter my hall of fears.
And you'll wake up inside me, locked up in my forever.
Can't you see all the other ones who recovered from the pain?

And I fall and I'll breath and I'll fight.
And I'll make up my mind, will you give me a sign? Are you speaking?
This voice is so unknown to this prisoner of life, and this raging heart's so weak.

And I'll contemplate on this, understand what distance is,
and I'll pass it on to you in one moment of devotion.
And I'll contemplate on truth, see what closeness means to you
and I'll pass it on to every single one.

And I'll wake up inside you in a world of amber tears.
And I'll wake up inside you. I'll touch down in Neverland.
Feel the tension grow in every cell. No colour rules, just for one day.

And you'll wake up inside me...
