Hello

Matthew Sweet

Hello, it's me

I've thought about us for a long, long time

Maybe I think too much but something's wrong

There's something here that doesn't last too long

Maybe I shouldn't think of you as mineSeeing you

Or seeing anything as much as I do you

I take for granted that you're always there

I take for granted that you just don't care

Sometimes I can't help seeing all the way through

It's important to me, that you know you are free

'Cause I never want to make you change for meThink of me

You know that I'd be with you if I could

I'll come around to see you once in a while

Or if I ever need a reason to smile

And spend the night if you think I shouldIt's important to me, that you know you are free

'Cause I never want to make you change for meThink of me

You know that I'd be with you if I could

I'll come around to see you once in a while

Or if I ever need a reason to smile

And spend the night if you think I should

Think of me

Think of me

Think of me
