

Lady Luck

David Lee Roth

Advisory - the following lyrics contain explicit language:

I'm off an' runnin'
Clear off the beaten path
I don't know where I'm headed
But I know that I ain't comin' back
Don't know where I'm goin'
But I can't wait to get there
Sometimes, I laugh to win
'Cause he who laughs lasts
I see the headlights burnin'
Cast a magic spell
Will I make that turn?
Only time will tell
Time after time, I'm walkin' the line
Between trouble an' my lady luck
I can't deny that woman is mine, all right
Lady Luck
She said, Don't sing me ballads
Life's a game for me
She liked to ride 'em cowboys
So don't throw that book at me
An' ride 'em cowboy, that we did
More than most could stand
Pass the buck an' live it up
Then she found another man
Who can race me, child?
Who can tell it well?
Who can take me, baby?
Only time will tell
Time after time, I'm walkin' the line
Between trouble an' my lady luck
I can't deny that woman is mine, all right
Lady Luck
Baby, all right
Trouble ahead, trouble behind
Lady of mine, mine, all right
[Incomprehensible]
Here come the thunder
Hear the light'nin' an' fear the thunder
All right, I'm hot, oww
Now hear me, baby
Please, Lady Luck
I tried to please though
I seen you're behind, all right
Baby, please

Now, baby, please, please Trouble ahead, trouble behind
Now never leave me, Lady Luck
Trouble ahead, trouble behind
Lady Luck
