

I'm Happy

Socialburn

I've been sittin' here for a while
Wishing I could finally see you smile
I've been wanting to see you for a long time
But everyday I grow farther from
Everything I've done and everyone
Here we go again I'm alone nowWe try so hard
'Cause we don't know
What we're looking for
You try so hard
Because you don't know
What you're looking forYeah, I try so hard
Because I don't know
What I'm looking for
But yeah, I'm happy
I'm happy now, I'm happyI don't know if I'll ever find you
I don't know if I'll ever need you again
'Cause I've been sitting here for so long
Wishing I could write a brand new song
Maybe it will remind you of a time whenWe try so hard
'Cause we don't know
What we're looking for
You try so hard
Because you don't know
What you're looking forYeah, I try so hard
Because I don't know
What I'm looking for
But yeah, I'm happy
I'm happy now, I'm happyI've been sittin' here for a while
Wishing I could finally see you smile
I've been wanting to see you for a long time
But everyday I grow farther from
Everything I've done and everyone
Here we go again I'm alone nowWe try so hard
'Cause we don't know
What we're looking for
You try so hard
Because you don't know
What you're looking forYeah, I try so hard
Because I don't know

What I'm looking for
But yeah, I'm happy
I'm happy now, I'm happy
