

# Dance 2Night

## Madonna

Move your body  
Catch me from across the floor  
Everybody's watchin'  
But I just wanna give you more  
Don't care bout nothin'  
I'm fallin' for your love in the worst way  
So move closer  
I can feel your body rise  
The heat from you  
I just have to fantasize  
We're all alone now  
And I don't care what people have to say  
You don't have to be beautiful  
To be understood  
You don't have to be rich and famous  
To be good  
You just gotta give more, more, more  
Than you ever have before  
And you gotta move fast, fast, fast  
If you want this good thing to last  
Let's dance tonight, dance tonight  
And groove around the world  
And we'll hold hands tonight, hands tonight  
I'm just a boy and you're just a girl  
I wanna dance tonight, dance tonight  
Don't need no diamonds and pearls  
So take a chance tonight, chance tonight  
Let's do ourselves to the world  
Do it, do it  
Let me turn you on  
Let the music pull you through it  
'Til the break of dawn  
Do it, do it  
While the night is young  
Let the music pull you through it  
'Til the lights go on  
In our zone  
Do you wanna take it further  
And before too long  
I'm gonna start to wonder  
Are you a one trick pony  
Or do you wanna keep runnin' this race  
I'm so into you...  
I've heard it all before  
So what should I do?

I told you, catch me on the floor  
Don't spoil this moment  
'Cause talk is cheap  
I don't have time to waste You don't have to be beautiful  
To be understood  
You don't have to be rich and famous  
To be good  
You just gotta give more, more, more  
Than you ever have before  
And you gotta move fast, fast, fast  
If you want this good thing to last Let's dance tonight, dance tonight  
And groove around the world  
And we'll hold hands tonight, hands tonight  
I'm just a boy and you're just a girl  
I wanna dance tonight, dance tonight  
Don't need no diamonds and pearls  
So take a chance tonight, chance tonight  
Let's do ourselves to the world Do it, do it  
Let me turn you on  
Let the music pull you through it  
'Til the break of dawn  
Do it, do it  
While the night is young  
Let the music pull you through it  
'Til the lights go on
