May 16 (Acoustic)

Lagwagon

No more waiting on them
As you rush inside your room
It's offical you've gone
You can live for no one else
Man the guilt must be huge
As there's no gain in failure
You succeed at being mine
Yeah, old friend, see you there
I will be proud from afar
I can paint a picture
In a moment
Of memories
And there aren't many left
I am extradited, uninvited
It's just another saturdayTake a step towards freedom
You and her loathing this cruel world
Take a breath of shelter and exhale
Trust and allegiance
Liberate yourself from hell
It's just another saturday
Just another saturday.
