Koethe

I swore the other day
That Iâ€™d whisk you away
From all of this pain
From all of this pain in you

Iâ€™ve seen you turn around
Iâ€™ve seen you hit the ground
From all of this pain
From all this inside of you

And I donâ€™t know how long
(That things will stay this way)
And I donâ€™t know whats wrong
(Or how to fix this place)
I know some things canâ€™t change
But I want you to know
You will never be alone

Iâ€™d give my hand to you
Iâ€™d give my life for you
Its all that I knew
Its all that I ever knew

As if you had to ask
Iâ€™d turn this world to glass
The least I could do
I canâ€™t keep my eyes off of you

(Go back) x7

And I donâ€™t know how long
(That things will stay this way)
And I donâ€™t know whats wrong
(Or how to fix this place)
I know some things canâ€™t change
But I want you to know
You will never be alone

Though Iâ€™ve been miles away
Blue wings in hurricanes

You know what Iâ€™d say
The price that Iâ€™d pay for you

You dream of better days
Eternal autumn haze
My lifes been so strange
But thats just alright with you

(Go back) x7

And I donâ€™t know how long
(That things will stay this way)
And I donâ€™t know whats wrong
(Or how to fix this place)
I know some things canâ€™t change
But I want you to know
You will never be alone x2

(Go back) x15

Some things may fade from here
Weâ€™ll last forever dear so know that you will never be alone
