

Sea Calls Me Home

Julia Holter

I don't need no one to follow, feathers full
Get up early just to charm unawakened souls
When the sea called me
When the sea called me homeI can't swim. It's lucidity. So clear!
I can't swim. It's lucidity. So clear!It's no wonder they're shipping all my clothes
Wear the fog, I'll forget the rules I've known
Look in cloud's mirror,
When the sea calls me homeI can't swim. It's lucidity. So clear!
