Another Little Hole

Aqualung

No need to tell her she knows
That there's another little hole in her heart
Each day each dollar she knows
It tears another little hole in her heart
'Cause she feels it happen no doubt
That there's another little hole in her heart
Another little hole in her heart
The day is breaking and time is taking
The love we're making away
This life can only leave us lonely
There's no tomorrow
Just another little hole in her heart, yeah
No need to tell me I know
That there's another little tear in my eye
I'm quite aware I see
That there's another little tear in my eye
Do you ask yourself why?
Should we ask ourselves why?
Is there any point in wondering why?
Any point in wondering why?
The day is breaking and time is taking
The love we're making away
This life can only leave us lonely
There's no tomorrow
Just another little tear in my eye
Another little tear in my eye
Another little tear in my eye, yeah
I don't know, I don't know, I don't know, I don't, I don't know
I don't know, I don't know, I don't know, I don't, I don't know
I don't know, I don't know, I don't know, I don't know, I don't know
I don't know, I don't know, I don't want to know
The day is breaking and time is taking
The love we're making away
The Gods have spoken the spell is broken
And love will tear us, love will tear us apart
This life can only leave us lonely
There's no tomorrow
Just another little hole in my heart
Another little hole in my heart

Another little hole in my heart
I don't know, I don't know, I don't know, I don't, I don't know
