Who knows the best way to go?
I'm the one who tells him so
Who knows the best way to go?
I'm the one who tells him so
Who knows the best way to go?
I'm the one who tells him so
Sweeter than sugar, cuter than pie
I'm the apple of his eye
Sweeter than sugar, cuter than pie
I'm the apple of his eye
Sweeter than sugar, cuter than pie
I'm the apple of his eye
Who knows the best way to go?
I'm the one who tells him so
Who knows the best way to go?
I'm the one who tells him so
Who knows the best way to go?
I'm the one who tells him so
Who knows the best way to go?
I'm the one who tells him so
Who knows the best way to go?
I'm the one who tells him so
Sweeter than sugar, cuter than pie
I'm the apple of his eye
Queenie is my name
