Diary

Tino Coury

I read your diary, and it said
That you weren't in love with me
And you're leaving
And I wish that I didn't see
That you fell in love with him, him, him
But I read your diaryI saw a book with a lock and key right next to your name
I, I, I, I couldn't help myself 'cause things ain't been the same
(Oh whao oh)
Can you please tell me 'cause this shit is so insane
My heart is bleeding
Papercut from reading, from readingPage one
Says that you're falling in and out of love
Page 2
Says all them things I do just ain't enough
Page 3
No I couldn't see,
Page 3 says you don't know how to explain it to meBut I read your diary, and it said
That you weren't in love with me (in love with me)
And you're leaving
And I wish that I didn't see (I didn't see)
That you fell in love with him, him, him
But I read your diaryOh oh oh
Your diary
Oh oh oh oh
Your diary
Oh oh oh
Your dairy
Oh oh oh ohI turn the page to see a picture of you and him
No, no, no
That was the night you told me you were out with your friends
(Oh whoa oh)
And now I know that my kiss was just a s-second
My heart is bleeding
Papercut from reading, from readingPage 4
Says that you're addicted to sexin' him every night
Page 5
Has all the reasons you know this isn't right
Page 6
I can't handle this

I feel just like JT on that cry me a river sh**...Cause I read your diary, and it said
That you weren't in love with me (in love with me)
And you're leaving
And I wish that I didn't see (I didn't see)
That you fell in love with him, him, him
But I read your diaryOh oh oh
Your diary
Oh oh oh oh
Your diary
Oh oh oh
Your dairy
Oh oh oh ohLet's make a list
(Check)
Broken promises
(Check)
How you always told me you love me right after every kiss
(Check)And You, you always talk me shit
On them other chicks
(Check)
And now it's obvious we know that who the real bitch is...I read your diary, and it said
That you weren't in love with me (in love with me)
And you're leaving
And I wish that I didn't see (I didn't see)
That you fell in love with him, him, him
But I read your diaryOh oh oh
Your diary
Oh oh oh oh
Your diary
Oh oh oh
Your dairy
Oh oh oh ohOh oh oh
