Domesticated Man

The Jungle Giants

Well I used to know a man,
who met a girl who stole his hand
and then his soul, oh no.So this domesticated man,
he lost his heart and then he lost his friends
'cause he was always at home.Awoooooo, domesticated man.So he went off to work
every day in a shitty car he didn't like,
but he bought 'cause he was bored with his life.
Oh and his shitty wife,
she joined a club just to fill the time
when she wasn't complaining to him.Awoooooo, domesticated man.
Awoooooo, domesticated man.Well I used to know a man,
who got bossed by a bitch but he told her to leave,
he ain't no-one you can change.
Now he walks around the town,
knows everyone and he has a good old time,
don't have to sell your soul for a beautiful girl. No.Awoooooo, domesticated man.
Awoooooo, domesticated man.
