Apollo Throwdown (Star Slinger Remix)

The Go! Team

It's not up to me, its not A13
It's not the Circle K at the top of streetI know it may seem debonnaire
But there's time on the line that we just can't spare
Hold up everybody, put it all on ice
Gotta feeling on the mic that's twice as nice
Gotta cope with the dope by cutting soap
So turned on livin' out my horoscopeNo one can do it like we can
We take the stand with a master plan
We are the educated, motivated, skin tight, rawhide, hardworkin',
Blood sweatin', Hollerin', your world wreckin'
Ladies of eighty three
Ladies you want to be
We're not the first but that matters least
'Cause there's free rough justice for the masterpieceI said
A panther is
What a cougar aint
What a royal wants to be
What a hustler cant
What the ladies like
What the fellas love
What U L C can't get enough of
I said now
Walk like a panther?
I said
Walk like a panther?
What the ladies like
What the fellas love
What U. L. C. can't get enough ofWe got no second chance, we got a soldier's stance
We got the thrills in our skills that you can't advance
Never gonna get ninety nine percent
My get up and go just got up and went
So unrelenting, pay strict attention
My mind is heading In the right direction
More hits than bazooka smooth
Our guarantee is we can moveOur Q and A don't ricochet
We make the play with a double A
We are the educated, motivated, skin tight, rawhide, hardworkin',
Blood sweatin, hollerin, your world wreckin'
Ladies of eighty three

Ladies you want to be
We're not the first but that matters least
'Cause there's free rough justice for the masterpieceI said
A panther is
What a cougar aint
What a royal wants to be
What a hustler cant
What the ladies like
What the fellas loveWhat U L C can't get enough of
I said now
Walk like a panther?
I said
Walk like a panther?
What the ladies like
What the fellas love
What U. L C. can't get enough ofI got
Rockets to the left of me
Bullets to the right of me
Flames to the back of me
Spark the TNT
Cobras to the left of me
Vipers to the right of me
We're the
G. O. T
