

Living In The Here And Now

Darryl Worley

People say I'm a crazy son of a gun
Because I make me a couple of a million, and I save a one
I don't ever buy green bananas
Don't believe I'll ever leave Savannah
I don't worry about tomorrow until it comes
I'm just living in the here and now High on life, getting by somehow
Laughing and talking and drinking it up
I ain't got enough time to be thinking too much
Today is another beautiful day
I got the wind in my hair, the sun on my face
Tomorrow can't bring me down
'Cause I'm living in the here and now A pickup runs like a top, and it's a ten years old
Yeah, my boots fit just like a glove, and my beer is cold
My friends all love me just the way I am
Yeah, they're cool with the fact that I don't give a damn
Next week, next month, next year, hell, who knows? I'm just living in the here and now
High on life, getting by somehow
Laughing and talking and drinking it up
I ain't got enough time to be thinking too much
Today is another beautiful day
I got the wind in my hair, the sun on my face
Tomorrow can't bring me down
'Cause I'm living in the here and now
