

# Fooled Me Again ( Honesty Eyes )

## Lady Gaga

[Verse] See the lonely girl  
Out on the weekends  
Trying to make it pay  
She can't relate to joy ohh  
She tries to speak it  
Can't begin to say it  
The boy fooled me again  
Oh Oh he loves me all up  
But i'm so down today  
See the lonely girl  
In Hollywood on the weekend  
Trying to make it pay  
So here it is  
Its been a hard day  
Harder nights  
The rockstars girlfriend  
Has lost the fight  
Well its alright baby  
I'm nobody's mother  
But i don't want this  
Cigarette to be over [Chorus]  
You fooled me again  
You fooled me again  
With your honest honest eyes  
Again fooled me again  
With your dirty mouth full of honest lies  
Again, oh when did you fool me again, oh yea  
You're so honest full of shineless eyes [Verse]  
Its been two days since he left home  
She dried her eyes and picked up her microphone  
She sang "Its alright baby,  
I'm nobody's mother,  
I just don't want this last cigarette to be over,  
you know"
