

# Reasons

## The Weekends

Reasons why I love you, one  
You light my day, you are my sun

Reasons why I love you, two  
I cannot get enough of you

Reasons why I love you, three  
I know that you'll be true to me  
The reason I will stay with you

I know you'll love me too  
The reason I will stay with you  
I know that you'll love me too

Tere bina menoo chain nah aaveh, oh soniye  
Tere bina menoo chain nah aaveh, oh soniye  
Tere bina menoo chain nah aaveh, oh soniye  
Tere bina menoo chain nah aaveh, oh soniye

Reasons why I love you, four  
You keep me coming back for more

Reasons why I love you, five  
You make my world come alive

Reasons why I love you, six  
I'm addicted, you're my fix  
The reason I will stay with you

I know you love me too  
The reason I will stay with you  
I know that you love me too

Tere bina menoo chain nah aaveh, oh soniye  
Tere bina menoo chain nah aaveh, oh soniye  
Tere bina menoo chain nah aaveh, oh soniye  
Tere bina menoo chain nah aaveh, oh soniye

Reasons why I love you, seven  
You are here and I'm in heaven

Reasons why I love you, eight  
When it's good, you make it great

Reasons why I love you, nine  
You turn my water into wine  
The reason I will stay with you

I know you'll love me too  
The reason I will stay with you  
I know that you love me too

Tere bina menoo chain nah aaveh, oh soniye

Tere bina menoo chain nah aaveh, oh soniye  
The reason I will stay with you  
I know that you love me too  
Tere bina menoo chain nah aaveh, oh soniye  
Tere bina menoo chain nah aaveh, oh soniye
