

The Ocean

Kal Lavelle

You are the ocean, and I am the landscape
I am immovable, until you caress me
And I'll kiss your mouth your back your eyes your nose your skin
Until you feel like you can't get enough
Until you feel like you can't get enough
Sometimes you feel seasick, when you tell me your secrets
Cause they're buried so far down, they're living with the shipwrecks
But I am a life boat, I'm on the horizon
You give me the signal, I'll come to your rescue
And I'll kiss your mouth your back your eyes your nose your skin
Until you feel like you can't get enough
Until you feel like you can't get enough
And I will be strong when you are weak
I'll be the words that you can't speak
I will be warmth when you are cold
I'll be the one, I'll take you home
And I'll kiss your mouth your back your eyes your nose your skin
Until you feel like you can't get enough
Your eyes your mouth your nose your skin
Until you feel like you can't get enough
Your eyes your mouth your nose your skin
Until you feel like you can't get enough
Your eyes your mouth your nose your skin
Until you feel like you can't get enough
Cause I feel like I can't get enough
Yeah I feel like I can't get enough
