

# Blue Wonderful

Elton John

Blue Wonderful

Every breath is a prayer of some kind  
I breathe in I breathe out I just breathe  
And you're so well blue wonderful, blue wonderful to me  
Like swimming in your eyes, I dive in, I dive deep, I just swim  
I lose myself in you blue wonderful, blue wonderful again  
Chorus  
Don't you know where you go I will follow  
In your footsteps I find my own feet  
Addicted like I am to the blues  
The kind of blue of all the blues I need  
It's the day that someone else's song  
Sixty five summer times long ago  
Long before you became blue wonderful the blue wonderful I know  
It's something I've just left behind  
In the past far away used to be  
But your prayers my blue wonderful, blue wonderful to me  
Go where you want when you want to  
Just don't let the wind tear you free  
Stick around the light that brings you home  
Don't ever hang around with the breeze  
(Chorus)  
Every breath is a prayer of some kind  
I breathe in I breathe out I just breathe  
And you're so well blue wonderful, blue wonderful to me  
Like swimming in your eyes, I dive in, I dive deep, I just swim  
I lose myself in you blue wonderful, blue wonderful again  
I lose myself in you blue wonderful, blue wonderful  
Blue wonderful  
Blue wonderful  
Blue wonderful  
Blue wonderful again
