

We're All Somebody from Somewhere

Steven Tyler

Sweet Biloxi to New York city
From that fine red wine of the vine to cheap brown whiskey
Seattle coffee, Memphis blues
Chi-town wind, Miami cruise
There's a thousand stories between me and you Give me some love! We're all somebody from somewhere
Some mama, some daddy, some love in the air
Some big, some little, some left, some in the middle
Some white, yellow, black or red Yeah, we're all somebody from somewhere (yeah, we're all somebody from somewhere)
We're all somebody from somewhere (yeah, we're all somebody from somewhere)
Yeah! Hollywood to New Orleans
Filet Mignon to black eyed peas And cornbread damn I love that stuff We're all somebody from somewhere
Some mama, some daddy, some love in the air
Some big, some little, some left, some in the middle
Some white, yellow, black or red Yeah, we're all somebody from somewhere (yeah, we're all somebody from somewhere)
We're all somebody from somewhere (yeah, we're all somebody from somewhere) Yeah, we're all somebody from somewhere
Some mama, some daddy, some love in the air
Some big, some little, some left, some in the middle
Some white, yellow, black or red We're all somebody from somewhere
Some mama, some daddy, some love in the air
Some big, some little, some left, some in the middle
Some white, yellow, black or red Yeah, we're all somebody from somewhere (yeah, we're all somebody from somewhere)
We're all somebody from somewhere (yeah, we're all somebody from somewhere) Give me some love!
