You and Me

Sru

I don't want to know
Why I cant go out with you
I don't want to think
Why I cant drink to you, in a bar
I don't want to think of you
as any kind of passing fad for me
I just want to stay in your arms all night and all day

And you, feel the same way as me
And you, want the space and time to be,
Alone with me
Me and You, you and me

I want to get away
to another time and space with you
I don't want to stay
In this far off and lonely place
If I can't be with you
I want to leave leaving barely a trace,
so I'll just push on through
And I will try not to lose so much face

And you, feel the same way as me
And you, want the space and time to be,
Alone with me
Me and You, you and me
