Hard to Say Goodbye

Kim Richey

We talked it out
And we've had our say
And we both agree we're better off this way
Well, good for us
We're so grown up
And there's no hard feelings
Sure, we'll keep in touchTell me why, tell me why
Is it so hard to say goodbye
Hard to say goodbyeAh, it's no big deal
Yeah, it's nothin' new
It's just somethin'everybody runs into
So hang up the phone
And turn out the light
Sweet dreams, tomorrow it'll be alrightThen tell me why, tell me why
Is it so hard to say goodbye
Hard to say goodbye
