

# Just Like Heaven

## The Cure

"Show me, show me, show me how you do that trick  
The one that makes me scream" she said  
"The one that makes me laugh" she said  
And threw her arms around my neck"Show me how you do it  
And I promise you I promise that  
I'll run away with you  
I'll run away with you"Spinning on that dizzy edge  
I kissed her face and kissed her head  
And dreamed of all the different ways I had  
To make her glow  
"Why are you so far away?" she said  
"Why won't you ever know that I'm in love with you  
That I'm in love with you"You  
Soft and only  
You  
Lost and lonely  
You  
Strange as angels  
Dancing in the deepest oceans  
Twisting in the water  
You're just like a dream  
You're just like a dreamDaylight licked me into shape  
I must have been asleep for days  
And moving lips to breathe her name  
I opened up my eyesAnd found myself alone, alone  
Alone above a raging sea  
That stole the only girl I loved  
And drowned her deep inside of meYou  
Soft and lonely  
You  
Lost and lonely  
You  
Just like heaven
