What Kind Of Man

Nb Ridaz

[intro]Yea, tell me what kind of man
Would do the things I do for you
What kind a man would do the things I do uh!,
What kind a man would give his life for you yea!,
What kind a man would change the world ,
What kind a man you tell me girl come on - come on,
[Pre-Chorus]What did I do to make you go what can i do to make you stay what did I do to make you leave what can I do to make you stay with me
[Chorus]What kind of man can do the things I do for you my love
[reapeat][Verse 1]I never wanted it to be like this I wanted to be the one to treat you like a queen always be by your side and take you places
you never been trips around the world giving you every thing but I guess you had to do me wrong you had to do me wrong youy had to run along find some body else and you broke my heart what am I to do girl now that you have goon in my life I don't know how to live without you by my side
[Pre Chorus][Chorus]
[Verse 2]What kind of man can do the things I do treat you right was there and took care of you you pretend that are world was a perfect thing to find out that to you I was just a fling I don't love you enough to hate you and that's ok to you wanna run around the streets thinking you could play thought you were the one tell me what I did wrong right here with me is where you belong girl
[Pre Chorus][Chorus][Verse 3]How many times have I herd those same lines and um how many times have I looked into your lying eyes seen no true colors and when I had you like no other my heart my life and all my respect is what you had my whole world at the palm of your hand from kisses to you dissin and having fights in the middle of the night you talkin from I love you to no respect I should have seen it from the jump but the game had no name only me to blame and now its got me thinking all girls are the same now the dog showed the kittie how to play asking for the world at my hearts expense
[Chorus][Breakdown]Use to be my dream come true in this love affair one that I would hold now baby your not there I wish that I could see what was on your mind
