

# Kalabalik

## Stockholm Syndrome

You You and I You and I  
we tear it down  
Its going down  
Tonight were gonna  
Go in hard flippin out  
Go all night freakin out  
Go in the light in the night  
lets go crazy give it all cuz we ball till we fall Insanity  
We're flipping when the lights out Kalabalik Kalabalik Strong women  
Eat power  
Teach you  
In a late hour  
Jump on it  
Beats callin  
Its murder  
fly further Tonight were gonna  
Go in hard flippin out  
Go all night freakin out  
Go in the light in the night  
lets go crazy give it all cuz we ball till we fall Insanity  
We're flipping when the lights out Kalabalik Kalabalik I'm the mother of madness, Imma kill it own it rape it eat  
it  
fuck the diet I'm on a riot I'll eat the cake and not whine about it  
fuck the system they're trying to starve us but we heavy motherfakkas no doubt about us  
Bring it up the elevator take it to the higher level, rude it up race it up yeah we gonna rough it up On nah call it  
what you want Bo ya you know we be the one We strip down but we still dressed, put claim on all of that respect  
yeah I'm on that power I'm a proud bitch, are you gonna be  
man enough to handle it  
this game about the rules and we're here to break em Stockholm Syndorme on your mind till your head be  
achin Kalabalik  
Kalabalik Run but you cant hide from it, Lets go and get high on it, Turn down and we still got it, Turn up and  
we sure own it They say I'm a rude bitch, they aint seen rude shit  
I rather be a rude bitch than a lost soul in a road ditch
