Rainmakers

Naomi Pilgrim

Up on the roof
Where the sunset made us blind
You put on our suits
And you were running by my sideOur heads in debris
Well, it was different way back then
We lit up the seas
And the cinderella sign for allWe are rainmakers in the dark
Hunting for sparks
There you found the treasure within
Treasure within my heartDancers beneath the stars
Searching for sparks
There you found the treasure within my heart
And into the void
We were singing through the cold
We filtered the noise
And there was nothing left to sayWe took something real
And we watched fall apart
And now that it's gone
I still remember every sightWe are rainmakers in the dark
Hunting for sparks
There you found the treasure within
Treasure within my heartDancers beneath the stars
Searching for sparks
There you found the treasure within my heart
But don't you forget
There's a time bomb in our hearts
And don't you regret
That it goes off 'cause it goes off when it goes offDon't you forget
There's a time bomb in our hearts
And don't you regret
That it goes off 'cause it goes off when it goes offDon't you forget
There's a time bomb in our hearts
And don't you regret
That it goes off 'cause it goes off when it goes offDon't you forget
There's a time bomb in our hearts
And don't you regret
That it goes off and now you sayWe are rainmakers in the dark
Hunting for sparks
There you found the treasure within

Treasure within my heartDancers beneath the stars
Searching for sparks
There you found the treasure within my heartTreasure within my heart
Treasure within my heart
There you found the treasure within my heart
