## Skinny Puppy

treason trapping animal hide in the vision of  
paradise two explains your head deranged time  
spun web deluded of life wicked black witch lady  
localize intelligensia go write a book to cry in  
face it lost that look survivals hard enough fading  
fire climbing higher time to realize that im on  
fire patience sun the lord looks over who  
covers in the watchtower freeze arm scraping  
inches the vein blind distracted the worshipping  
metal point a scraping hole forever breaking  
in out temper test bottom so vile  
faded higher why you liar
