

# Having A Party

## Johnny Jenkins

We're havin' a party  
Dancin' to the music  
    Played by the DJ  
        On the radio  
The Coke's out in the icebox  
    Popcorn's on the table  
        Me and my baby  
    We're out here on the floor

    So Mr., Mr. DJ  
        Keep those records playin'  
Cause I'm a-havin' such a good time  
    Dancin' with my baby

    Everybody's swingin'  
    Sally's doin' the twist now  
        If you take requests I've  
            Got a few for you  
    Play that song called "Soul Twist"  
        Play that song called "I Know"  
    Don't forget "The Mashed Potatoes"  
        No other songs will do

    So Mr., Mr. DJ  
    We're havin' a party  
    Everybody's swingin'  
    Dancin' to the music  
        On the radio
