

Pain in the ass

Hysterica

In my dreams i see your face
It just a messed up
Bitching literally
You have your lights of fame
Disaster
You only have yourself to blameTake my went, miss rabbit
Take it fake itYou're a pain in the ass
Get out of my way
A pain in the ass
Surrounded ended pain
Just get the hell out of here
Just a loser
Not to worth my time
Neither your existis
Is a crimeAround the highway to hell
Disaster
Now and forever you're on under my spell
In my dreams i still see your face
It just a messed up
Bitching literally
You have your lights of fame
Disaster
You only have yourself to blame
