

Holla Out (feat. Taranchyla)

[Skrillex](#)

We're just here, having a good time
With this music, ghetto youts on the grind
This is our sound, our salvation
Music is me life, not just me occupation We're just here, having a good time
With this music, ghetto youts on the grind
This is our sound, our salvation
Music is me life, not just me occupation We're just here, having a good time
With this music, ghetto youts on the grind
This is our sound, our salvation
Music is me life, not just me occupation
