Light Some Mo (prod. Chris Coast)

Chris Travis

[Intro]
I'm so froze[Hook]
I'm so froze bitches say I'm ghost
She didn't even know I came through with my fo like
I light some mo
I can not wait for her
She came out from Dallas but i met her on the coast
Like I'm so froze bitches say 'm ghost
She didn't even know i came through with my fo
I light some mo
I can not wait for her
She came out from Dallas but I met her on the coast
[Verse]
See I'm cold bitch, I gave her frost bite
Yes she bit me she went there all night
Dressed in all white, shout out to Yo Gotti
Pulling out mane in that big body
Looking like a zombie
Drank got me mumbling
Sus bitch they chillin'
They're your text ain't from me
Chopper leave you runnin', ain't no playin' games
I'm too gone for that
No more playing mane
She just want sex
See me on deck
She just wanna cuddle
I be her arm rest
Girl, you got me
Ain't even gone yet
I think I want you but think I love sex
Aye[Hook]
I'm so froze bitches say I'm ghost
She didn't even know I came through with my fo like
I light some mo
I can not wait for her
She came out from Dallas but i met her on the coast
Like I'm so froze bitches say 'm ghost
She didn't even know i came through with my fo

I light some mo
I can not wait for her
She came out from Dallas but I met her on the coast
