## Simply Red

What's worth nothing else but love  
Take a walk down any street now  
Every one of us in our own little world  
Looking for a heart with whom to beat now What's worth nothing else but love  
I'm prepared to take the heat now  
What's worth more than anything else at all  
To keep you firmly on your feet now So fake cool image should be over  
?Cause I long for a feeling of home  
Real life, depicted in song  
A loving memory  
After long, home is a place where I yearn to belong Where the land meets the sea  
She'll be smiling so sweetly now  
I hope that she'll be here much longer than I will  
My heart loves her with every beat now
