

Future X Girl

Neon Jungle

[Amira:]

These boys can't settle this
Just take a seat 'cause I'm not bitch

These boys can't settle this
Just take a seat 'cause I'm not bitchThey try to run with us

These boys be eating all my dust
Only fly guys can come with us

Only fly guys can come with us[Asami:]

Blood relief through my kiss, I'll tell you everything
Gimme some, gimme some, gimme more[Jess:]

Blood relief through my kiss, I'll give you everything
Gimme some, gimme some, gimme more[All:]

I could be stone cold, yeah, or I could bring the fire
And I know I'm a little crazy but it's all fail

To tell the whole damn world I'm your future ex-girl

Tell the whole damn world I'm your future ex-girl[Shereen:]

I'll give you everything, then take it away again[All:]
Tell the whole damn world I'm your future ex-girl

Tell the whole damn world I'm your future ex-girl[Amira:]

These boys can't settle this
Just take a seat 'cause I'm not bitch

These boys can't settle this
Just take a seat 'cause I'm not bitchThey try to run with us

These boys be eating all my dust
Only fly guys can come with us

Only fly guys can come with us[All:]

I could be stone cold, yeah, or I could bring the fire
And I know I'm a little crazy but it's all fail

To tell the whole damn world I'm your future ex-girl

Tell the whole damn world I'm your future ex-girl[Shereen:]

I'll give you everything, then take it away again[All:]
Tell the whole damn world I'm your future ex-girl

Tell the whole damn world I'm your future ex-girl[Jess:]

When day turns tonight, I'll be the good girl that you like

Uh, when day turns tonight, I'll be the good girl that you like

Yeah, when day turns tonight, I'll be the good girl that you like

Uh, when day turns tonight, I'll be the good girl that you like[Shereen:]

I'll give you everything, then take it away again[All:]

Tell the whole damn world I'm your future ex-girl

Tell the whole damn world I'm your future ex-girl[Shereen:]

I'll give you everything, then take it away again[All:]

Tell the whole damn world I'm your future ex-girl

Tell the whole damn world I'm your future ex-girl
