Poke Chop Sandwich

Zz Top

Poke
Better watch that
Poke chop sandwich, waitin' in the sack
Ridin' a tom tom, a double fat back
Got my poke chop sandwich, layin' on my drum
Poke chop's greasy, mmm, gonna get some
Get some of that poke chop
Poke chop sandwich
A poke chop
A poke chop sandwich
(Yeah, yeah twenty five)
A Louisiana black beat and the Texas bop
Now do a Hollywood shuffle an' you just can't top it
New York turn around and the London stomp
African good luck combination, I know that you want
Poke chop

A poke chop sandwich
A poke chop
Double poke chop sandwich
(Play on)
Spider lightnin' hopkin got the big bad beat
There ain't no question, mmm they gonna eat
Got no spider on my bottle, there's no lightnin' on my can
They'll take in a bucket, 'cause they damn well can
A poke chop
A poke at that chop
Mmm, cut that poke chop
The poke chop sandwich
Feel like, I feel like a poke chop sandwich
Give me that sandwich in wax paper
Poke chop sandwich
