Nice 'N' Slow

La Bouche

You know, I've never been in love before
That's why I'm with you, I wanna take it nice 'n' slow
Well, baby from the first time I saw you, I knew I had to have you
I just couldn't wait any longer, I want your body and soulWhen I first saw you, you looked so fine
You blew my mind, I just knew that I was seein' a dream
Tryin' to maintain my composure
As I made my move to call you over to sit next to meYou looked my way with your sexy smile
I felt just like a schoolgirl
I was so nervous I could not move
With one look you rocked my worldDon't you want to try it, we can take it nice 'n' slow
If you say you like it, I will never let you goI called you up, to my surprise, you remembered me
You were waiting for me to dial your number
Wanted to see me, no hesitation came from me
Must of been that magic spell I was underSo beautiful, just one night with you
I can't imagine it all, so you just open up your heart
Come and share my dream
Together we can fly awayDon't you want to try it, we can take it nice 'n' slow
If you say you like it, I will never let you go
Don't you want to try it, we can take it nice 'n' slow
If you say you like it, I will never let you goBaby, don't you wanna take control of me?
Let me be your one and only fantasy, given myself to you totally
(Body and soul)
Baby don't you wanna take control of me
Let me be your one and only fantasy, given myself to you totally
(I promise my love nice 'n' slow)Don't you want to try it, we can take it nice 'n' slow
If you say you like it, I will never let you go
Don't you want to try it, we can take it nice 'n' slow
If you say you like it, I will never let you goBaby, don't you wanna take control of me?
Let me be your one and only fantasy, given myself to you totally
(Body and soul)
Baby don't you wanna take control of me
Let me be your one and only fantasy, given myself to you totally
(I promise my love nice 'n' slow)Baby, don't you wanna take control of me?
Let me be your one and only fantasy, given myself to you totally
(Body and soul)
Baby don't you wanna take control of me
Let me be your one and only fantasy, given myself to you totally
(I promise my love nice 'n' slow)Baby, don't you wanna take control of me?
Let me be your one and only fantasy, given myself to you totally

(Body and soul)
Baby don't you wanna take control of me
Let me be your one and only fantasy, given myself to you totally
(I promise my love nice 'n' slow)
