

Kings & Queens

Anti Nowhere League

Rolling on down the Old Kent Road
We're heading for the city and the bells of Bow
Gonna spend my dosh on a dirty doll
The lights are low down in old Soho All night long, we're singing dirty old city songs
All night long, keep singing dirty old city songs Bethnal Green has a lot to show
But the Stepney boys won't let us go
So it's back to the city where the lights are low
'Cause the Kings & Queens are about to show
London city is a go go go
We ain't got a lot of cash we know
We keep our aces high and our jokers low
The city lights are about to blow
