

# IN THE LOBBY

## Iggy Pop

Breaking the chain in the lobby  
An ocean of bodies  
And then there's me  
And I hope I'm not  
Losing my life tonight And it's all about the hang  
And it's all about the crowd that hangs  
And it's all about the hook Somebody is losing their life tonight I followed my shadow  
And it lead me here  
What is the problem  
If I disappear?  
And I hope I'm not  
Losing my life tonight And it's all about the edge  
And it's all about the fans and kids  
And it's all about the sex  
And it's all about guns Yeah  
I followed my shadow tonight  
Out of the light Yeah  
I followed my shadow tonight  
Out of the light My shadow is walking  
In front of me  
The longer the night  
The shorter my leash  
And it's a long, long night  
And I hope I'm not  
Losing my life tonight And it's all about the kicks  
And it's all about the dancing pricks  
And it's all about the clowns  
And it's all about guns Yeah  
I followed my shadow tonight  
Out of the light Yeah  
I followed my shadow tonight  
Out of the light Out of the light  
Get out of sight Out of the light  
Get out tonight Out of the light  
Get out of sight Out of the light  
Get out tonight
