Let It Roll

Leela James

Why you stressing?
Why you worrying about it?
Where there's a will
There's a way out around it
If you can't change it
Just forget all about itJust let it roll
And let it go
Just let it roll
And let it go
Let it go
Just let it rollThis misery loves
To keep company
And Mr Hater
He's [incomprehensible] unhappy
And I won't let him
Take my joy from meI'll let it roll
And let it go
Just let it roll
And let it go
Let it go
Just let it rollLet it go, let it roll
Let it go, let it roll
Let it go, let it roll
Let it go, let it rollWhy you stressing?
Why you worrying about it?
Where there's a will
There's a way out around it
If you can't change it
Just forget all about itJust let it roll
And let it go
Just let it roll
And let it go
Let it go
Just let it rollJust let it roll
And let it go
Just let it roll
And let it go
Let it go
Just let it rollLet it go

And let it roll
Let it go
And let it roll
Let it go
And let it roll
