My Candy

Natalie

Candy, candy
Yeah, come on
Oh, oh, oh, oh, oh
I gotta look so good, make you wanna taste it
It's like candy baby, like candy boy
Yeah, go girls, let's goI got that sugar, daddy
That's why you want me
Don't you wish you can taste it
You want my candy, my candy, my candy
My, my, my candy
My candy, my candy, my candy
My, my, my candyWalk through the door
Never seen a girl like me before
Forget the chick you got on hold
Me and my girls came to steal the show
I'm a shining superstar
When I dance I go so hard
Pull up in a fancy car
VIP meet me at the barOoh
Head spinnin' so addicted to me
Yeah I got that ooh
You got that trickin' spendin' all your money
I know you like my style, my my my style my style
It'll drive you wild so wild
What's up
My candyI got that sugar, daddy
That's why you want me
Don't you wish you can taste it
You want my candy, my candy, my candy
My, my, my candy
My candy, my candy, my candy
My, my, my candyFly tube, cute butt
New shoes, got strut
Ladies' night at the club
