

# Candy Girl

## Frankie Valli & The Four Seasons

I've been a-searching all this big wide world  
Now finally I found my  
Candy girl, candy girl I found me a girl (Candy girl)  
She sets my heart a-whirl (Candy girl)  
With huggin' (huggin') and kissin' (kissin') and lovin'  
She's mine (mine) mine (mine)  
Whoa-oh-oh-oh  
Candy girl  
We get along so well (Candy girl)  
I know just why I fell (Candy girl)  
She's thrillin' (thrillin') oh, chillin' (chillin') yeah, she's so divine  
She's mine (mine) mine (mine)  
Whoa-oh-oh-oh  
Candy girl When we're out together  
Everyone knows the way we feel  
We both seem to glow with a glow of love  
And it's plain to see  
Our love is real  
I'm happy as can be (Candy girl)  
She vows eternally (Candy girl)  
To hold me (hold me) and love me (love me) until the end of time  
She's mine (mine) mine (mine)  
Whoa-oh-oh-oh  
Candy girl  
Candy girl  
Candy girl  
Candy girl  
Candy girl  
Candy girl  
Candy girl
