

How (Did This Loser Get This Job?)

The Vandals

I know it's just a figure of speech - but if your breath and your clothes are bad - you're destined to teach - I see the president - I see Lincoln - what the hell was 43% of this place thinking - we watch the shuttle launch - read J.D. Salinger - I know one teacher I wish was on the Challenger - How- How- How- How- How- How- How- How- - How did this loser get this job? - check his references, - that's all I'm saying - I think my parents deserve more - for what they're paying - he works till 3:00 - it's such a racket - all you need are Dockers and - a Members Only jacket - How- How- How- How- How- How- - How did this loser get this job? - unprepared, - drunk you swindle academe - all you wanna do - is wrestle with the football team - pass out towels like communion - you're protected by the kid molesters union - How- How- How- How- How- - How did this loser get this job?
