Born to Lose

Total Chaos

[Originally by Johnny Thunders]
Well that's the way it goes
This city so cold
And I'm so cold
That's what I know
Born to lose
I said hey - born to lose
I said hey - born to lose
Oh baby I'm born to lose
I have nothing to do
I have nothing to say
Only one thing that I want
Living in the jungle
It ain't so hard
Living in the city
It'll eat out your heart
