Fishnet Stockings (Live-Helsinki)

Stray Cats

Well my sweet baby wears fishnet stockings
When she starts a rockin' there ain't no stoppin'Singin' wop bop a doo dop fishnet stockings
Shoo wop a doo dop when she's rockin'
Bop bop a doo dop there ain't no stoppin'
Rockin' with my baby in her fishnet stockingsWell she's got a pair in pink, she's got a pair in red
When she puts the black ones she makes me loose my headSingin' wop bop a doo dop fishnet stockings
Shoo wop a doo dop when she's rockin'
Bop bop a doo dop baby there ain't no stoppin'
Rockin' with my baby in her fishnet stockingsOne timeWell she's got a pair in pink, got a pair in red
When she puts the black ones she makes me loose my headSingin' wop bop a doo dop fishnet stockings
Shoo wop a doo dop when she's rockin'
Bop bop a doo dop there ain't no stoppin'
Rockin' with my baby in her fishnet stockingsRock it again now[Incomprehensible] well my sweet baby wears fishnet stockings
When she starts a rockin' there ain't no stoppin'Singin' wab bop a doo dop fishnet stockings
Shoo wop a doo dop when she's rockin'
Bop bop a doo dop there ain't no stoppin'
Rockin' with my baby in her fishnet stockings
