All It Takes

Breakbot

Something is moving
Inside
Feels like you're alive again
Lay your worries
Aside
Let it bring your game again
You can feel it in your flesh
You can feel it in your bones
I just wouldn't let you go
I can feel it in my chest
That it wouldn't leave me alone
So I just wanna let you know
I wanna let you know
Your love is all it takes to feel
Your love is all it takes to surrender
Your love is all it takes to free this heart of mine
All it takes to free this heart of mine
Your love is all it takes to feel
Your love is all it takes to rememberYour love is all it takes to free this heart of mineTo free this heart of mineSomeone is crawing
Inside
Will you ever find the key?
Give me a reason
To hide
Deep inside your memory
You can feel it on your hipsyou can feel it on thighs
I just wouldn't let you go
I can feel it in your lips
I can see it in your eyes
So I just gotta let you know
I happend to let you knowYour love is all it takes to feel
Your love is all it takes to surrender
You love is all it takes to free this heart of mine
All it takes to free this heart of mine
Your love is all it takes to feel
Your love is all it takes to remember
You love is all it takes to free this heart of mine
All it takes to free this heart of mine
Your love is all it takes to feel

Your love is all it takes to remember
You love is all it takes to free this heart of mine
Free this heart of mine
Free this heart of mine
This heart of mine
This heart of mine
Free this heart of mine
This heart of mine
This heart of mine
Free this heart of mine
This heart of mine
This heart of mine
This heart of mine
