## Scar Symmetry

Pinnacle of evolution  
The end of linear time  
Progress or termination  
Cosmic ray mutationIt's the question that burns inside  
Will we perish or rise with the tide  
When the waters of consequence  
Comes rushing forthFor the lines on the fractal wave  
Fits the course of history  
They're created to work as one 'til the endA dimensional shift  
Leap in consciousness  
Or a dire destiny  
Asteroid fatalityIt's the question that burns inside  
Will we perish or rise with the tide  
When the waters of consequence  
Comes rushing forthFor the lines on the fractal wave  
Fits the course of history  
They're created to work as one 'til the end  
At a time when terrestrial  
And galactic grids align  
The demise in 2012 realizedPinnacle of evolution, the end of linear time  
Progress or termination  
Cosmic ray mutation  
A dimensional shift, leap in consciousness  
Or a dire destiny, asteroid fatalityFor the lines on the fractal wave  
Fits the course of history  
They're created to work as one 'til the end  
When the winter solstice comes  
Actualizing the prophecy  
The demise in 2012 realized
