

Summertime In Wintertime

Badly Drawn Boy

I found a new remedy to defeat almost anything at all
Is it true you tell me we're failing to see that we were dreaming of a lifestyle
I can't believe that I fall for it every time
The feelings that I feel at the time
It's true what I would do if I were you Stop waiting for the summertime in wintertime
It can't be right
Don't subscribe to this jive
Like waiting for the summertime in winter And if you turn up the dream to cure yourself free from searching for
a new afterlife
The purpose of life, you know there's still time to tune into the right side
Well I assumed that we were lovers yesterday
The turning tide that that love us to pray
You know what I would do if I were you Stop waiting for the summertime in wintertime
It can't be right
Don't subscribe to this jive
Like waiting for the summertime in winter
