Lyra

Kate Bush

Where are our lives? If there is no dream, where is our home? We don't know how there will be a way Out of the storm we will find homeAnd her soul walks beside her An army stands behind her Lyra, LyraAnd her face full of grace Two worlds collide around her The truth lies deep inside her Lyra, LyraAnd the stars look down upon her As darkness settles on her Lyra, LyraWho's to know what's in the future But we hope, we will be with her We have all our love to give her Oh, Lyra, LyraAnd her soul walks beside her An army stands behind her Lyra, LyraAnd her face full of grace Two worlds collide around her The truth lies deep inside her Lyra, Lyra
