

# Reign

Kurt Carr

You are greater than the universe  
More powerful than the sea  
You are fairer than ten thousand  
No one compares to theeThe Omnipotent Sovereign  
Stronger than a million men  
Your Kingdom glorious, victorious  
Will never ever endReign, Jesus reign  
Be Thou glorified above this earthly plain  
Son of God and oh so good  
In majesty Your kingdom will forever reignYou are glorious in life  
Victorious in death  
And I live to sing Your praise  
Till I exhale my final breathAnd may I soar beyond the sky  
And see Your face with my own eyes  
In my eternal home around the throne  
I'll offer up this songReign, Jesus reign  
Be Thou glorified above this earthly plain  
Son of God and oh so good  
In majesty Your kingdom will forever reignAll hail, all hail the power of Jesus' name  
Let angels, let angels, let angels prostrate fallReign, Jesus reign  
Be Thou glorified above this earthly plain  
Son of God and oh so good  
In majesty Your kingdom will forever reignVamp  
Reign  
Jesus,reign  
ForeverVamp  
Reign  
Jesus,reign  
ForeverAnd He shall reign forever and ever  
Reign
