

# Condescending

## P.o.d.

And this is not pretend  
You have no reason to feel secure  
'Cause this world, it waits for no one  
So don't you fool yourself  
Get out of this imaginary place you call reality  
It's so deceiving  
(Condescending)  
If you don't get it your way, you're so condescending  
(Unforgiving)  
If we don't do what you say, you're so unforgiving  
So tell me once again  
How easy it would be if we'd listen to you  
And just paid attention?  
So what's the point in you  
Showing us your way if we don't even care  
To be 'round you or even know you?  
(Condescending)  
If you don't get it your way, you're so condescending  
(Unforgiving)  
If we don't do what you say, you're so unforgiving  
(Condescending)  
If you don't get it your way, you're so condescending  
(Unforgiving)  
If we don't do what you say, you're so unforgiving  
I can't, I can't do what you say  
I can't, I can't do it your way  
I can't, I can't do what you say  
I can't, I can't do it your way  
I can't, I can't do what you say  
I can't, I can't do it your way  
I can't, I can't do what you say  
I can't, I can't do it your way  
I can't, I can't do what you say  
I can't, I can't do it your way  
(Condescending)  
If you don't get it your way, you're so condescending  
(Unforgiving)  
If we don't do what you say, you're so unforgiving  
(Condescending)

If you don't get it your way, you're so condescending

(Unforgiving)

If we don't do what you say, you're so unforgiving

And patronizing, and overbearing

You're so unbending

You don't understand me

You don't understand me
