

# Dirty Sticky Floors (Electromi

**Dave Gahan**

Waiting for the last time  
For my friend to change my mind  
Waiting for the last drop  
Seems like a long long time  
Maybe I should go back home  
I'll sit and wait right by the phone  
Praying over the porcelain throne  
On my dirty sticky floor Ask me what I want  
Easy that's just more  
How long will I wait for you  
Twice as long as I did before  
Standing in the freezing snow  
Maybe you left I just don't know  
I'll soon be lying on my own  
On some dirty sticky floor I hope no one can see me  
The tin man says I'm doing fine  
That lion ain't gonna get me  
See that gun right there it's mine  
I've painted a face where I burnt the floor  
Now the face has become my devil's door  
Laying in the back room  
On my dirty sticky floor On my dirty sticky
