

# The Girl

## Bertie Higgins

I wish I could do better by you  
'Cause that's what you deserve  
You sacrifice so much of your life  
    In order for this to work  
While I'm off chasing my own dreams  
    Sailing around the world  
Please, know that I'm yours to keep  
    My beautiful girl  
When you cry a piece of my heart dies  
    Knowing that I may have been the cause  
If you were to leave, fulfill someone else's dreams  
    I think I might totally be lost  
    You don't ask for no diamond rings  
    No delicate string of pearls  
    That's why I wrote this song to sing  
    My beautiful girl  
    Ohh, ohh, ohh, ohh  
    One, two, one, two, three, four  
    I wish I could do better by you  
    'Cause it's what you deserve  
    You sacrifice so much of your life  
    In order for this to work  
    While I'm off chasing my own dreams  
    Sailing around the world  
    Please, know that I'm yours to keep  
    My beautiful girl  
    And when you cry a piece of my heart dies  
    Knowing that I may have been the cause  
If you were to leave and fulfill someone else's dreams  
    I think I might totally be lost  
    But you don't ask for no diamond rings  
    No delicate string of pearls  
    That's why I wrote this song to sing  
    My beautiful girl  
    Ohh, ohh, ohh, ohh  
    Ohh, ohh  
    But you don't ask for no diamond rings  
    No delicate string of pearls  
    That's why I wrote this song to sing

My beautiful girl
